# HISTORY OF THE SENIOR CLASS

## OF 1951 — 52

In the year of 1941, a group of children entered the first grade of Sanger School. Of this group remain two students who will graduate from Sanger High School this spring. They are Willene Rippey and Betty Burks. This grade was really a treat for us because after being in school a few weeks we suddenly found ourselves second graders. We joined Barbara Cole. Mrs. Virgie George was our teacher.

When we entered the third grade with Mrs. Marguerite Riggs as our teacher, we gained these students: Jerry Lovell, Anna Hinzman, Betty Switzer and Patricia Harberson.

The next year we found Mrs. Winnie Minick as our teacher who helped us struggle through the fourth grade.

In the fifth grade we were confronted with Miss Cathlene Gentle who really did not hurt us but helped us on to the next grade. We gained Emillee Horst from Dallas.

When we came to the sixth grade we had several teachers: Mrs. Virgie George, Mrs. Hestaline Burroughs and Miss Cathlene Gentle. This year we were glad to welcome Geneva Davis from Valley View and Georgia Blakley from Bolivar.

As we entered the seventh grade we had Mrs. Cleo Lockhart as our teacher.

Mrs. Cleo Lockhart greeted us at the door of the eighth grade room. As the year came to an end she said good - by to us when we managed to graduate into high school.

During our Freshman year Mr. E.C. McMurry was our sponsor. This was our first year in the new building.

Our Sophomore sponsor was Mr. Will H. Curtis.

Our Junior year was a big year for us because it was one of frenzied money raising because of the Junior - Senior Banquet. We were glad to have Mr. Curtis as our sponsor again.

In 1951 we came to the first half of our final year. It was with both sadness and joy that we faced the prospect of this long awaited year. During the summer prior to this year we lost Geneva Davis and Emillee Horst who attended and graduated from Denton. Soon after the beginning of this eventful year Betty Sue Switzer left us to attend Denton also. This left us a very small but very enthusiastic Senior Class. The Senior Class as a group are planning on the Senior trip with our sponsor, Ken Kearns, and Mr. C.D. Allen.

# CLASS PROPHECY

It has been about ten years since the Seniors of 1952 roamed the halls of dear old S. H. S. Just think, Miss Holt, ten nice peaceful years! I have begun to feel a deep yearning for my classmates of yester years. so I decided to leave my little beauty shop and see who could be found. I packed my little black bag and hopped into that old Ford of mine and started on my way.

The most logical place to find many of my friends would be in the old home town. so that was first stop. I arrived just in time to make it out to the football game. I saw a familiar face and was greeted with "Hi, Hippo." It was none other than THE JERRY LOVELL. As I was standing talking to Jerry, a small elderly lady came running up and started pounding him on the back. "I knew you could do it," she kept repeating. It was Mrs. LeBeau. I guess she was really surprised when Jerry graduated from Arkansas University with honors. Mr. Ken Kearns really worked getting Jerry through school. Poor guy, he's looking rather old these days.

The next morning I was up bright and early and started on my search for old classmates. "Old Faithful", the Ford, began to sputter a bit, so I pulled into the nearest garage and service station. It was here I found Frog. She checked my car and we had a nice chat. She says she owes her ability to the Science Class and Soupie. I asked her to explain and she replied, "Don't you remember my putting Soupie's model airplane motor together."

I rolled out of the station and down main street. I parked the Ford and started to the drug - store but was attracted by a new business place. It was an attractive place with large pictures all around. I pushed open the door and was greeted by Georgia Blakely Lang. Upon chatting with her, I found she was now a commercial artist and quite often uses her two small children as models.

I walked around the corner to the drugstore, bought a paper and was greatly pleased to find that Patricia Harberson had just been elected a Representative to Congress and chosen speaker of the House. She always could argue anyone down.

Anna drove up in a Ford station wagon. Upon talking with her I found that she is doing quite well for herself. She said, "WE are very happy on our little ranch."

Anna asked me to drive out to see Betty Ann. She had just arrived home from Paris. She had been honeymooning on the Riviera with her cute little husband.

Anna and I left Betty Ann's and went back to town where I got in my old Ford and headed for home.

There has been a great change in the members of the graduating class of 1952, but just think what a change the next ten years will bring.

Barbara Faye Cole

# SUMMARY OF 1951 FOOTBALL SEASON

## SANGER - 28 ALVORD - 0

The Indians traveled to Alvord to open their 1951 football season with an impressive 28 - 0 victory over the tough Wise County team. Riding on the big right arm of quarterback Jerry Lovell's passing and the running of Murl Bishop, Jimmy Brown and Harvey Thompson, the Indians were never in serious danger. Sanger's defense was the outstanding factor in the ball game with veterans Bob Moseley, Jimmy Cole and Billy Draper turning in top flight performances. Freshman Frank Kerby and Guard Jimmy Perry were standouts in the Indians forward wall all night along with "Copus" Odom, the ever dependable Indian linebacker.

## SANGER - 48 GAINESVILLE "B" - 0

Gainesville furnished the opposition for the Indians first home game and a very successful home opener it was. The Indians ran rough shod over the invaders posting a 48 - 0 score. Murl Bishop, fancy stepping Sanger right half, led the Indians to the easy victory scoring five touchdowns in a showstopping exhibition of running along with playing a great defensive game at end. The entire line came in for much praise, exhibiting plenty of poise and lots of hustle in stopping Gainesville's split T - formation. Bob Moseley scored two touchdowns and teamed with Bishop at the other end to play a bang up defensive game. Lovell again at the quarterback slot guided the Indians T machine.

## SANGER - 55 DENTON "B" - 0

Traveling to Denton for their third game of the season the Indians toyed with the Broncos to the tune of 55 - 0. Every member of the squad saw plenty of action and did a first class job. Neal Odom, Sanger safetyman, intercepted a Denton pass on his own 25 yard line and returned it to the opponents 15 to set up Sanger's first score. From then on the game was an offensive show featuring the passing of Lovell and the running of Bishop, Thompson, Al Lynch and the air - tight defensive game of the entire squad.

## SANGER - 19 DECATUR - 19

The Decatur Eagles furnished the opposition for the Indians fourth game and the tilt turned out to one of the best football games that Sanger fans had seen in many years. The Eagles were top heavy favorites since they were in Class AA and seemed to outclass the Indians in every department before game time. Big Jerry Lovell, Murl Bishop, Harvey Thompson and company evidently had not read the papers because they played the bigger and more experienced Decatur team to a standstill and came out with a 19 to 19 tie. Billy Draper, Sanger Tackle, and Jimmy Cole, guard, were standouts in the Indian's stout defense.

## SANGER - 62 ERA - 6

Sanger opened district play against the game, but outclassed, Era Hornets. Every man on the squad saw plenty of action as the Indian's rolled over the Cook County boys at will. Bishop was especially outstanding from his halfback position making many beautiful runs and playing a superb defensive game. Lovell's passing to Moseley and Thompson was another potent weapon used by the Indian's to completely smother the opposition.

#### SANGER - 12 LEWISVILLE - 12

Sanger's traditional rivals, the Lewisville Farmers, furnished the Indian's their third home game of the season and a thriller it turned out to be. The Farmers drew first blood on a beautiful 45 yd. scamper by Smith, the Farmers all - district back. Sanger took the ensuing kick - off and marched 80 yds. to score with Bishop gaining 50 of the 80 yds. and going over from one to knot the score at 6 - 6 at the half. Lewisville scored their second touchdown and failed to add the extra point midway of the third quarter. Sanger came back strong in the final stage on the running of Bishop, Brown and Thompson and the passing of Lovell. With five minutes remaining on the clock, Bishop took a hand - off from Lovell and scampered 55 yds. to pay dirt on the most beautiful run of the evening to tie the score. Bishop missed the try for the vital extra point and after 48 minutes of hard football, each had to settle for a tie.

#### SANGER - 28 BOYD - 7

The Indians took another step toward a district championship with a 28 - 7 victory over the Boyd Yellow Jackets. Every man on the squad saw action in a game that was played on a muddy field. Jimmy Brown and Murl Bishop were the offensive stars while Jimmy Odom, diminutive Sanger linebacker, and Ed Ashcraft sat in none defensive duty at the other linebacker and did a first class job.

#### SANGER - 48 VALLEY VIEW - 0

.. Playing on a snow swept field with a sever north wind, the Indians oiled up their T machine on the Valley View Eagles for their second district win, 48 - 0. The fancy running of Thompson, and the passing of Q.B., Jerry Lovell, featured the Indians attack. Frank Kerby, Freshman right tackle, and Jimmy Cole, Junior guard, stopped the Eagles cold in the line along with defensive aces, Draper at the other tackle, and Jimmy Odom at his linebacker slot.

#### SANGER - 25 MUENSTER - 20

The Indians traveled to Muenster for their fourth district game and came out with a hard fought 25 - 20 victory over the Cook County lads. The Hornets scored first on a pass from Q.B., Hamric, to H.B., Hellman. The Indians came back to score 5 minutes later on a pass from Lovell to Bob Mosely. The try for extra point failed and Muenster led 7 - 6. With two minutes remaining in the first half, Hellman took another pass from Hamric and scored. The extra point was good and Muenster led at intermission 14 - 6. The Indians scored after 5 minutes of the second half but missed the extra point and Muenster still led 14 - 12. The Hornets came back with another talley late in the third quarter with Q.B., Hamric scoring from the one. Hamric missed the points after, and Muenster led 20 - 12. Lovell opened up on the Hornets and put on a beautiful exhibition of running and scored from the two. Moseley made the extra point good on a pass from Lovell and Muenster's lead was narrowed to 20 - 19. With two minutes remaining on the clock, big Jerry Lovell broke through the Hornet line and rambled 45 yds. for the game winning touchdown.

#### SANGER - 20 ST. JO - 7

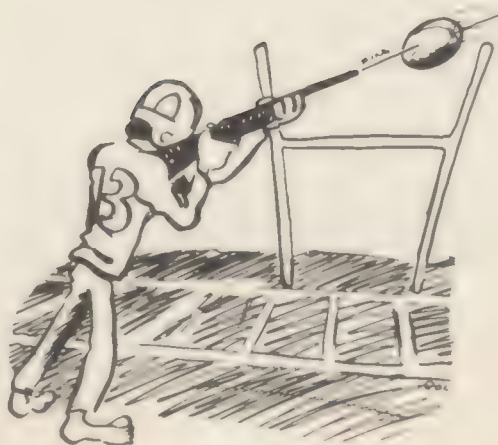

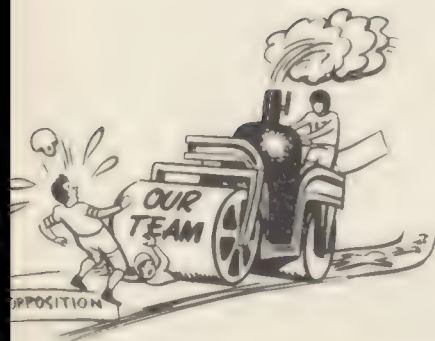

In a gala homecoming affair, the first in Sanger's history, the Indians wrapped up their first district championship in 10 years. The first half was scoreless. In the second half the Sanger Indians pushed ahead to trample the St. Jo Panthers 20 - 7 to the delight of an overflow homecoming crowd. Again Lovell, Bishop, Brown and Thompson were the offensive stars along with Draper, Cole, Jimmy Odom and Kirby on defense. Jimmy Perry played a bang up game at his left guard position.

In the most exciting game of the football campaign, the Indians traveled to Wichita Falls to battle Valley View for bi - district honors. The score ended up tied, 20 - 20, but Sanger won on penetrations, 3 - 2. Harvey Thompson, Sanger left half, was the big man of the evening intercepting two enemy aerials and returning them both inside the opponent 5 yard line. Big Jerry Lovell was his usual outstanding self battering the Valley View line to threads and getting able assistance from Bishop at right half and Jimmy Brown at fullback. The entire defensive line, led by Cole and Perry, played a tremendous game.

SANGER - 6 ROCHESTER - 14

Sanger finished the most successful grid season in the history of the school in Haskell, December 7 playing Rochester for the Regional III championship. The West Texans won the championship with a 14 - 6 victory over the Indians. The Indians played a great game with the exception of four fumbles inside Rochester's ten yard line. Rochester scored their 14 point in the first half and were completely outclassed by Sanger the last half, crossing mid - field only once. The Indians were playing a veteran team which consisted of nine Seniors on the starting lineup. Lovell closed out his high school career playing a brilliant game. Jimmy Odom, Jimmy Brown, Jimmy Cole and Billy Draper were standouts on defense. Bishop, Thompson, Moseley and Duncan Lynch were the offensive stars of the day.
